

## **For Your Protection**

In an effort to better protect your privacy, we will now have a "password" feature. Effective immediately the only way to access information about your account over the phone (other than TellerLine), will be to use your password. This password is something that YOU, the member, will set up with us. Your password can be 4 to 10 characters (alpha, numeric, or a combination). Once your password is set up, it will remain with your account until you choose to change it. Please remember that this password is only used when accessing information about your account **OVER THE PHONE** with a credit union representative.

Return this form to **Sabine Federal Credit Union**  
or mail to P.O. Box 3000,  
Orange, Texas 77631-3000
