

Re-Naming Loan in Online Banking

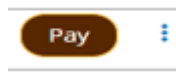

Important Information to note

If you have a loan with Sabine FCU, you will notice that it will appear differently when you log into your online banking account.

*For example, you have a 2020 Ford Truck, it will now be listed as “Direct Used Auto or Indirect New.” The account number or suffix of your loan will **NOT** change, just the name of the loan.*

To change the name of the loan to what you want it to be, please follow the instructions below:

- Open www.sabinefcu.org
- Type in your current username and password in the “Online Banking Sign-In” box and click “Login.”
- Under the section of **“Loans and Credit Cards”**
 - Look for the loan that you wish to rename (ex: DIRECT USED AUTO *0-2).
 - On the FAR-right hand side with three dots next to the word “Pay.”

- Click on the three dots
- A drop-down box will appear

Transfer Money

Account Information

Online statements

Manage Cards

- Select **Account Information**

- In the **NICKNAME** box – you can type whatever you want to name that loan –
 - EX: 2020 Ford Truck (see example)
- Once you have the name of the loan typed out, click **SAVE** and it will update immediately.

Account Information
